Solutions for sleeping well and dreaming.

For over 30 years Demaflex has been committed to improving the sleep and dreams of Italian customers. This commitment has had research, quality control and fulfilling the needs of its customers as a priority. A dynamic, flexible and well structured company which has been able to diversify putting together a wide range of articles which are able to satisfy the ever changing customer needs and market requests efficiently and rapidly.

Its items include pillows, mattress pads, spring covers, pillow cases and more specific articles such as bacteria, dust-mite resistant, sanitary and fireproof articles for communities and hotels as well as crib and child bedding needs.

Founded in 1981 today it numbers 50 expert employees. Demaflex's priority is quality which coincides with customer needs: quality of the product and services from the receipt of order to its prompt delivery. Recently the company has been researching innovative articles produced with raw materials with a low environmental impact from a productive standpoint as well as a disposable one.

Full round quality: Demaflex guarantees sweet sleep and dreams.
